**Attraction Ratings**  
 Attention guests: White Water strongly suggests all children, non-swimmers, and weak swimmers wear a Coast Guard approved life jacket.

1 Low speed and/or shallow water attraction. Passive water fun for those who just want to get wet and relax.

2 Moderate thrill attraction. Some ride control and maneuvering required.

3 Aggressive attraction. Each rider should have the physical ability and mental alertness to hold themselves in the proper ride position and/or strong swimming skills. These attractions are not recommended for anyone under a doctor's care, in poor physical condition or pregnant.

4 High thrill and/or deep water attraction. Can be stressful to those who fear heights, high speed, enclosed places or deep water. Each rider should have the physical ability and mental alertness to hold themselves in the proper ride position and/or strong swimming skills. These attractions are not recommended for anyone under a doctor's care, in poor physical condition or pregnant.

*Failure to follow the ride instructions / safety rules can result in serious injury to you or others.*
