***New in 2007,* White Water Adds 7-Story, 6-Slide Thrill Ride!**

(Branson, Mo. 10-06) **New in 2007, White Water presents its biggest ride ever – a 7-story, 6-slide, multi-experience thrill ride.** Higher than White Water’s previous largest slide by over two stories, **the new ride will be 75 feet high, with two 300-foot drop slides for top-speed body sliding and four additional 312-foot lane slides for four-lane speed racing.**

The new \$1.5 million ride adds more ways to glide and slide at Branson’s *Beach Within Reach* -- with nearly 7,000 feet of slides and 12 rides and attractions for the ultimate summer splashdown experience.

With two million gallons of cool, water-drenched indulgence, White Water is an aquatic oasis where guests can swim, surf, splash and slide in water-cooled comfort. Ride lovers will find plenty of fast-paced rides from the new slides to the white-water rapids of the *Caribbean Plunge* and *Tropical Twister*. Surf enthusiasts can ride on tubes or bodysurf the breaking waves of the **500,000-gallon wave pool**, and leisure floaters can drift with the current of the *Lazy River*. Families play together in the super-soaked **RainTree Island**, while kids rule at **Splash Island** and **Little Squirts' Waterworks**.

For the ultimate in poolside comfort, *Cool Cabanas* are available for rent, enclosed on two sides with televisions, fans and seating, for semi-private gatherings for up to 8 people. Free life jackets and tubes, and a full staff of certified lifeguards are always on hand.

White Water, a Silver Dollar City Attraction, is open May 25 - September 3. For information, hours and tickets, contact 1-800-831-4FUN or www.bransonwhitewater.com.
