## **Splash Into 2 Million Gallons of Water at the *Beach Within Reach* – Branson's White Water**

(Branson, Mo. 2/06) When the summer heats up along Branson's 76 Country Boulevard, already one of the hottest entertainment districts in the country, **White Water offers two million gallons of cool, water-drenched indulgence. Branson's *Beach Within Reach*** is an aquatic oasis where guests can swim, surf, splash and slide in water-cooled comfort.

**Thrill lovers will find plenty of fast-paced rides and 5,000 feet of slides**, from the five-story high, triple drop slide *Paradise Plunge* to the white-water rapids of the *Caribbean Plunge* and *Tropical Twister*. **Surf enthusiasts can ride on tubes or bodysurf the breaking waves of the 500,000-gallon wave pool**, and leisure floaters can drift with the current of the *Lazy River*. Families play together in the super-soaked **RainTree Island**, while kids rule at **Splash Island** with toddler-sized slides and sprays in a shallow pool, and **Little Squirts' Waterworks**, with spouts and sprays on a non-slip surface. **New this year, a 6-foot wall aquarium overlooking Splash Island** adds to the tropical atmosphere.

Sand volleyball, outdoor cafes, tropical smoothies and plenty of deck chairs and lounges are part of the activities and amenities poolside. **For the ultimate in poolside comfort, *Cool Cabanas* are available for rent**, enclosed on two sides for semi-private gatherings for up to 8 people. The Cabanas have an 8 ft. by 12 ft. covered area with a 32-inch television, ceiling fan and locker; and an open area with a table, chairs and an umbrella.

Safety is of primary importance at White Water. The lifeguard staff has been recognized with numerous national awards, including Platinum and Silver *National Aquatic Safety Awards* for consistently exceeding aquatic safety standards. Free life
