

AMAZING BOOKS!

Go online to search for some amazing book forms. For each form you find, describe how you think it might have been made. Make other notes about how you might want to incorporate it in your own book making.

Book Form	Website	Process?	How I might use it
Accordion (also called Concertina)			
Fan book			
Tunnel Book			
Scroll			
Venetian Blind Book			
Pop-Up Book			
Miniature Book			

On the other side of this worksheet, list some "How-To" websites you've found.

FROM PROTOTYPE TO FINAL BOOK

Use this sheet to create a “construction guide” to follow as you craft the final version of your book. You may wish to make a close-up drawing or photograph of the prototype’s details to better illustrate the particular step in the process. In addition, you may wish to add reminders or other comments—things to remember while involved in this step.
