

# 2010 GIRL SCOUT WEEKEND

## The Biggest Birthday Bash Ever!

### May 1 & 2

Girl Scout adventures don't get any better than this! Next year marks Silver Dollar City's **50th Birthday** and it will be a year-long celebration your troop won't want to miss. Hop on our **NEW ride**, Tom & Huck's **RiverBlast**, for America's Biggest Water Battle!

On Saturday, enjoy a special opening ceremony, the announcement of our official **birthday cake**, extended ride hours AND a **fireworks display** in Echo Hollow® to wrap up the evening. Then come back Sunday as we give thanks for our many blessings over these past 50 years.

Take in all the sights, sounds and smells of America's Largest International Festival—**World-Fest**. PLUS, look for special demonstrations by our craftsmen and go online to print out your Girl Scout Activity sheets to help earn **merit badges** throughout the weekend. Be sure to pick up your **participation patch** Saturday morning too!
