

**NEW SCIENCE & MATH DAY** transforms Silver Dollar City into an  
**EXTRA-SPECIAL LEARNING LABORATORY** on October 20! **EDUCATIONAL ADVENTURES**  
always abound in our park, but for **ONE DAY ONLY** these value-added extras are **FREE\*** to your kids:

- **NASA Digitarium**, a digital planetarium that provides real-world astronomy experiences
- **Carter Energy Roadshow** featuring kid-friendly exhibits on fossil fuels and renewable energy as well as an interactive "Fuels of the Future" Racing Game
- **Kansas Cosmosphere & Space Center's Rocket Demonstrations** (weather permitting)
- **Hands-on lessons** developed by secondary teachers covering concepts such as measurements, estimation, gravity, motions, forces and systems, which include the availability of online pre-testing and post-testing

\*Park admission required. Capacity is limited for value-added extras; early reservations are recommended.
